

A fellow **CAN** live almost anywhere!

For instance, some live in caves, some in the desert, some in hot, congested districts and all of them get away with it **SOMEHOW**!

That "**SOMEHOW**" is the pivot. All depends upon **YOUR** definition of it! If it means satisfaction to live on hot crowded streets, indifference to sanitation, lack of shade and natural beauty, then the Somehow spells mere Existence.

But if it means a roomy lot, flowers and fruit, modern conveniences, and luxuries, cool lawns, and a public park, good water, beautiful homes, and good neighbors, **THEN** the "**SOMEHOW**" means real living!

Folks **LIVE** up in North Anderson!

INVITE GRAND LODGE K. OF P. TO ANDERSON

INVITATION WILL BE EXTENDED WEDNESDAY BY
GEN. M. L. BONHAM

CHANCES ARE GOOD

For Securing Next Grand Lodge
for This City—In Session
in Orangeburg Now.

The Grand Lodge Knights of Pythias, which is being held this week in the city of Orangeburg, will be invited to hold the next annual meeting in Anderson. It is believed that the city has excellent chances for securing the meeting.

Capt. R. J. Ramer of the entertainment committee of the chamber of commerce, yesterday, through the secretary of the chamber of commerce, requested Gen. M. L. Bonham, chairman of this committee, who is attending the Knights of Pythias gathering, to extend the Grand Lodge an invitation to meet in Anderson next year.

Gen. Bonham stated later in the day that he would present the invitation from Anderson on Wednesday, and that he had great hopes it would be accepted. For two years now the Grand Lodge has been meeting in the lower part of the State, and there seems to be a general feeling that it is about time for a session to be held in the upstate.

The invitation to the Grand Lodge to meet next year in Anderson is extended by the local lodge and the chamber of commerce jointly.

Comb Sage Tea in Lifeless, Gray Hair

If Mixed With Sulphur it Darkens
So Naturally Nobody Can
Tell.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is stored to its natural color and looks glossy, soft and abundant.
